Available

Feed Features

- Extruded floating feed for IMC, PANGASIUS, CLARIAS, ANABUS & PACU.
- Scientifically formulated, complete and balanced nutrition.
- Manufactured with latest proven technology.
- Good in palatability and digestibility.
- Ensures higher fish growth with better FCR.
- Has optimum water stability and minimizes water pollution

Quality Raw Materials

- Inclusion of quality raw materials such as Hi-Pro Soya DOC, DORB, Fish Oil, Fish Meal, Rice Bran LSP, MCP, Soya, Lecithin, Vitamin Premix, Mineral Premix, Toxin Binder, Antioxidant, Salt, Soda-Bicarbonate, Choline Chloride, L-lysine, DL Methionine, L-Threonine, Tryptophan, etc.
- All incoming raw materials & finished goods are thoroughly checked in-house laboratory.
- World Class in-house R&D Lab with modern imported machinery which are effective in giving & result-oriented feed.

✓ Minimum order quantity: **5 tons.**

Advantages

- **High-Quality Nutrition**

Feeds is committed to providing nutritionally balanced and scientifically formulated feed that promotes healthy growth and productivity in fishes and other livestock.

- **Consistent Performance**

With stringent quality control measures, Feeds ensures consistent performance and reliable results across all batches, supporting farmers in achieving predictable outcomes.

- **Advanced Manufacturing**

Equipped with state-of-the-art production facilities and automated processes, Feeds maintains high standards of hygiene and efficiency.

- **Expert R&D Team**

The company invests in continuous research and development to innovate and improve feed formulations based on modern farming needs and animal health requirements.

- **Wide Product Range**

Feeds offers a diverse range of feed products catering to fish, shrimp, and cattle, addressing the varied needs of farmers across India.

- **Strong Customer Support**

With a dedicated field support team and a robust distribution network, Feeds provides prompt service and expert guidance to its customers.

- **Trust and Reliability**

Over the years, Feeds has built a reputation for trust, transparency, and ethical business practices, making it a preferred choice among farmers and dealers alike.

Key Functionalities

Balanced Nutrition

Ideal combination of protein, fat, carbohydrates, vitamins, and minerals.

High Digestibility

Made from premium-quality, highly digestible ingredients.

Advanced Manufacturing

Produced using world-class machinery for consistency.

Gut Health & Immunity

Contains beneficial bacteria for better digestion and disease protection.

Safe & Antibiotic-Free

Free from antibiotics and harmful pathogens.

Eco-Friendly

Minimizes water and soil pollution.

High Survivability

Ensures better survival rates of aquatic species.

Faster Growth & Profitability

Reduces culture period and increases farmer profits.

Office Address

Charwaha – The Digital Farm Land

Evershine Sun CHS Ltd,
Thakur Village, Kandivali East,
Mumbai - 400101
India
